The Cross- Connection Model

A place where students can experience and put in practice knowledge learned in classroom

An informal environment which promotes a creative and collaborative spirit in order to develop different competences

Challenge@PoliTo: what is it?

CLIK
CONNECTION LAB AND INNOVATION KITCHEN

Challenge@PoliTO is an innovative teaching activity designed to foster multiculturality and entrepreneurial mindset among Master's Degree students.

30 students, grouped into multidisciplinary teams with different backgrounds from all degree courses, compete to find innovative solutions to technological challenges.

Professor & mentors support you from a technical and business point of view.

- Final Presentation - **11 January (10 am to 1.00 pm)@N-Idee**

You will receive more information for each meeting by mail.

Any changes will be communicated during the activity.

Participation is mandatory!

RULES

1. The official platform for the challenge is Microsoft Teams. We have created a General Team for the "Nano" challenge. For each Team, we will create a private channel on it. You can use it to share material or have online meetings.
2. General meetings will be communicated during the activity by email. Participation is mandatory!
3. Each team will have to spend about 1,5 hours/week, supported by mentors, remotely (please use Microsoft Teams) or at N-Idee or in other places proposed by the mentor.
4. Every team will self-organize its own working time and methodology (apart from meeting with mentors you will have to meet and work together as a team often to get a result).
5. **To book a meeting with a mentor, the TEAM LEADER must send an email to the desired mentor. The meeting is booked only if the mentor confirms it. You have to ask at least 2 days in advance! Please put in any mail/communication to the mentors clik@polito.it in cc.**
6. Each team **MUST** meet at least one of the mentors once a week.
7. There is a One drive folder where you can find today's presentations, link will be shared on the General team.

ABOUT THE USE OF SPACES

CLIK
CONNECTION LAB AND INNOVATION KITCHEN

The 6D classroom is available for you to meet and work on your project together as a team.

The classroom is open, on request, from Monday to Friday from 9 am to 5 pm approximately - Wednesday closed.

Please send an e-mail to clik@polito.it to book your entrance indicating:

- name of the challenge
- name of the team
- desired day and time.

The space must be supervised by either a mentor or a member of Clik staff.

Therefore requests should be received at least two days in advance.

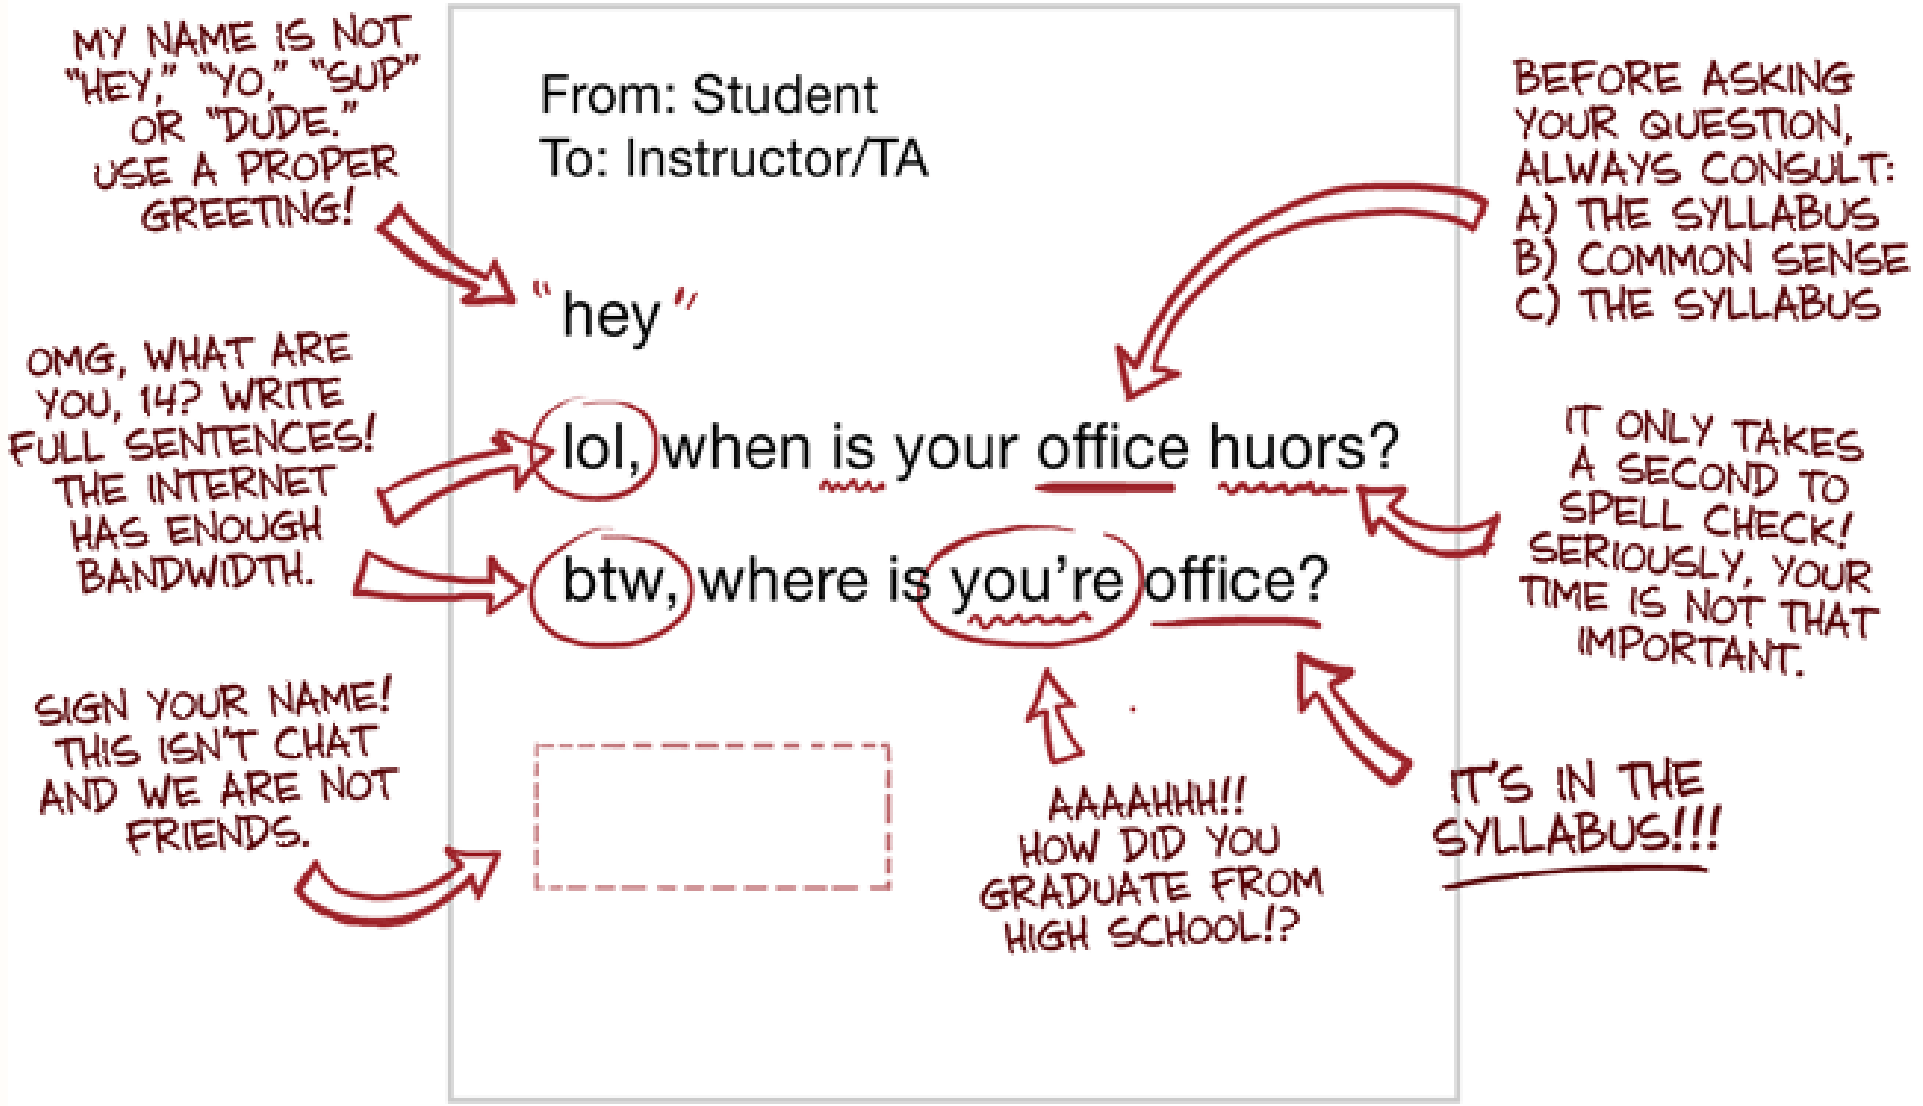

The weekly meeting with the mentors can also be done online or in department spaces.

Mentors are autonomous in their access to department spaces. In agreement with them, you can meet in different times

from what indicated above, always keeping CLIK in cc (use «Reply to All» instead of «Reply»)!

HOW TO WRITE AN E-MAIL TO YOUR INSTRUCTOR OR T.A.
